Dark Cloud Cover :

Pattern: Consists of two candlesticks: A long white body followed by a black body. The following black candlestick opens higher than the white candlestick's high and closes at least 50% into the white candlestick's body.

Interpretation: A bearish reversal signal during an up trend.

Doji:

Pattern: The open and close price are the same.

Interpretation: Dojis are usually components of candlestick patterns. This candlestick assumes more importance the longer the upper and lower wicks. Bullish or Bearish bias is based on the prior trend (up or down) and future confirmation.

Doji Star:

Pattern: Consists of two candlesticks: A Doji which gaps above or below a white or black candlestick.

Interpretation: A reversal signal confirmed by the next candlestick (eg. a long white candlestick would confirm a reversal up).

Engulfing Bearish Line:

Pattern: Consists of two candlesticks: A small white body followed by and contained within a large black body.

Interpretation: A bearish reversal signal after an up trend.

Engulfing Bullish Line:

Pattern: Consists of two candlesticks: A small black body followed by and contained within a large white body.

Interpretation: A bottom reversal signal.

Evening Doji Star:

Pattern: Consists of 3 candlesticks: A large white body followed by a Doji that gaps above the white body. The third candlestick is a black body that closes 50% or more into the white body.

Interpretation: A top reversal signal, more bearish than the regular evening star pattern.

Evening Star :

Pattern: Consists of 3 candlesticks: A large white body followed by a small body that gaps above the white body. The third candlestick is a black body that closes 50% or more into the white body.

Interpretation: A bearish reversal signal.

Gravestone Doji:

Pattern: The open and close are at the low of the candlestick + long upper wick.

Interpretation: A bearish reversal signal. The longer the upper wick, the more bearish the signal.

Hammer:

Pattern: A small body near the high with a long lower wick with little or no upper wick.

Interpretation: A bullish pattern during a downtrend.

Hanging Man:

Pattern: A small body near the high with a long lower wick with little or no upper wick. The lower wick should be several times the height of the body.
